Album Review

Buddy Rich recorded precious few vocal sessions, but this collection of Johnny Mercer-penned songs reveals a singer of considerable appeal. While by no means an accomplished stylist, Rich nevertheless boasts an energy and sincerity closely aligned with his legendary drumming prowess. Arranged by the underrated Buddy Bregman, Buddy Rich Sings Johnny Mercer sharply underscores Rich's strengths behind the microphone. Songs like "Day in, Day Out" and "One for My Baby" possess a world-weary honesty perfectly matched to his earthy approach. And to say the record swings is an understatement. Buddy Rich the accompanist never fails Buddy Rich the crooner, contributing the dynamic rhythms one expects anytime his name looms above the title.

Biography

Born: September 30, 1917 in Brooklyn, NY

Genre: Jazz

Years Active: '10s, '20s, '30s, '40s, '50s, '60s, '70s, '80s

When it came to technique, speed, power, and the ability to put together incredible drum solos, Buddy Rich lived up to the billing of "the world's greatest drummer." Although some other drummers were more innovative, in reality none were in his league even during the early days. A genius, Buddy Rich started playing drums in vaudeville as "Traps, the Drum Wonder" when he was only 18 months old; he was completely self-taught. Rich performed in

Mixed up songs/titles

by SamuelG18

Although I love this album (I have it on Vinyl), I noticed that the titles are messed up here on itunes. I.E., the song that is named "Mama Look A Boo Boo" is actually the song "Rum Jamaica Rum" and it is the same with all the other songs. That should probably be fixed.

Biography

Case 2Case: 11:11.2496-0753463PALAC-DOE under truspent Library 11/18/11

Formed: 1956 in California Genre: Singer/Songwriter Years Active: '50s

The Easy Riders aren't mentioned in any reference books on folk music — indeed, one will find no entry on them in any reference work on popular music of the 20th century, despite the fact that they had a massive hit in early 1957 with the song "Marianne," and also wrote songs that were recorded by everyone from the Kingston Trio to Dean Martin to Doris Day. In fact, the Easy Rider trio — Terry Gilkyson, Richard Dehr, and Frank Miller — occupy...

Biography

Genre: World

Years Active: '40s, '50s, '60s, '70s

The husband and wife team Marais and Miranda popularized traditional South African folk music in the United States during the '40s, '50s, and '60s. The duo charmed radio and concert hall audiences with somewhat Americanized versions (most of the numbers were English adaptations, though they did sometimes sing in Afrikaans) of the original...

Great replacement for worn out LP

by Omaha Jim

Bought the LP back in 68 after attending Glenn's concert in Omaha. I got to go backstage to present him a hand made wood Cutty Sark ship model for his collection. Just about wore the LP out. Wished for last few years I could download it somewhere. Totally great, brings back wonderful memories. Great unique voice and lyrics. Would like to ...More

Biography

Born: January 12, 1930 in Milwaukee, WI

Genre: Singer/Songwriter

Years Active: '50s, '60s, '70s, '80s, '90s, '00s, '10s

Glenn Yarbrough's high, clear tenor has served him well throughout his long career as a singer (that's him singing "Things go better with Coke" on all those commercials), and although it has been many years since he placed a song

11/7/2013 3:03 PM 1 of 3

sooo funky

by enolcmelca

C'mon people. This is way better than 90% of current dance or electronica. Just listen to some of the samples. It is totally funky and warm analog. And such a deal...

Great!

by Wordsmiths

Love it, but do you have their ELECTRIC LOVE album? I grew up listening to that and it was really good!

part of history

by d&b connoisseur

This is an exceptional part of the history of electronica and music, in general. Think of where we'll be in another 40 years!

★★★★★ Greatest soundtrack of all time!! July 11, 2012

By C. X. Alexander Format: MP3 Music

See the customer review

I grew up with this album. I was literally one year old when the film came out and my Pops saw it and came home with the album the next day. This is music of the African soul, played by genuine African musicians hand selected by the film's producers. "Song of the Labourers" puts you in the mines with the men. "Funeral Drums" for the main character's wife puts you at her gravesite. (On the album,there are brief, spoken interludes by the main character, reminding us of the story. It makes it easy to "understand" the songs if you haven't seen the film.) Even the "white European" hymn "When the Roll is Called Up Yonder" is given a distinctive African flair and has never sounded better. For fans of soundtracks in general, world music in general and those of African heritage who want a feel of "home", you cannot possibly do better than this album. It is truly one of the most beautiful and powerful pieces ever written. Major kudos to Amazon for making it available. I can now carry it with me all of my days. And on a personal note, to my late Pops, Shosoloza. Go in Peace.

★★★☆ Undiscovered gem. September 18, 2012

By Joel L. Savitz

Format: Audio CD | Amazon Verified Purchase

This is a very good score of a show that bombed in NY. The LP has been worn out over the years. Having 3 copies of the LP, I have waited for this to be released. It is based on the John Wayne/Maureen O'Hara film 'The Quiet Man'. Well worth listening to. The only problem with this release is that they reversed the stereo channels when they mastered it. If that is not a problem then buy it as it probably will not be around for a long time if you don't get it now.

**** Fun show but no included brochure August 18, 2012

By Broadway Fan

Format: Audio CD | Amazon Verified Purchase

I have had this musical for many years in my LP collection so it was so nice to have it finally on CD. It is a tuneful show with some excellent Broadway voices. However the CD contains no brochure describing the storyline, singers, etc. It would have made a nice touch to this vintage recording.

*** Takes me back to sun and surf September 8, 2013

By tatermusic

1 stai

Format: Audio CD | Amazon Verified Purchase

I first heard "Andrea" when I was young, peroxiding my hair to look like a surfer, and having not a clue about life. I don't have any hair to bleach now, but these guys bring up memories of the Big Kahuna.

*** The Sunray's was one of the great surf bands of the 60's April 5, 2013

By Rock Fan, Format: Audio CD

The Sunrays were a great surf vocal band out of the sixties. Led by Drummer Rick Henn, lead vocal, they had two big hits. "I Live for the Sun and " Andrea " They were from Southern California and were mangered by Beach Boy father, Murry Wilson after he was fired by Brian Wilson. If you like good Beach Music from the 60's Then you will like the Sunray's.

***** Glenn' The Glimmering Light Forgotten August 10, 2000

By A Customer Format: Audio CD

I first heard this album when I was a little girl and it has always remained in my heart. Glenn Yarbrough has a way of bringing his music to life. "Rose" shows how a person who has seen alot of sadness can see the light at the end of the tunnel and go on living even through tragic times. "The Mermaid Song" is one of my favorites with it's uplifting and merry music and lyrics. "The Music Of The World A Turning" sees life through every person's eyes. I highly recommened this C.D. to one and all, I'm sure you will enjoy it.

★★☆☆☆ Live at the Hungry I March 1, 2001

By "jkam@compuserve.com"

Format: Audio CD

I have many of the songs on this CD in a LP and have been waiting to get a CD replacement since the LP is very old and noisy. I am very disappointed with the sound quality of this CD - my old LP sounds better if I can ignore the clicks and pops.

★★★☆ Live at the Hunngry i May 19, 2012

By Sheila Linders

Format: Audio CD | Amazon Verified Purchase

I didn't think i would like this one will I got it. I was wrong, the audience is his back up singers, and they did a great job. I enjoy the the interaction with the audience and and the music is

★★★★★ Replacing LP

Anything by Glenn Yarbrough is great. This album was one of my all time favorite LP's & I'm glad to get a digital version.

Published 4 months ago by Navyne R Kline

★★★★ After all these years Glenn Yarbrough is still great.

What a pleasure to hear these songs again. The

★★★★ The Guns of Navarone May 17, 2013

By Rance A. Nethken

Format: Audio CD | Amazon Verified Purchase

Being an avid collector of OST recordings, this one IS the OST of Tiomkin's well known music for one of the greatest war movies ever created! I originally bought the vinyl recording in 1959, and of course being there is only 13 tracks, it is to bad that soundtracks were not really in vogue then; hence, the studios only created a few "choice" tracks! Today, there is another version of TGON that contains that contains 22 tracks that was performed by the Praque Philharmonic Orchestra on Tadlow Label. Though the latter is quite good, it does not have the full richness of the original version by Tiomkin. I would think that Columbia Studios would have all of the complete tracks of the 1959 score. Hopefully they will someday release the complete version!
